FREE Community Seminar

Cornering Breast Cancer:

The Next Generation of Anti-tumor Therapies

When: Thursday, October 13th – 6:00 PM

Where: First Baptist Church, 2200 Diamond Drive, Los Alamos

Time: 5:15–6:00 Complimentary Light Dinner

6:00–7:30 Seminar with Q+A Session

Speaker:

Dr. Jessica Sims, Ph.D.

Project Scientist

Department of Biomedical Sciences

Cedars-Sinai Medical Center, Los Angeles

Dr. Simms is a graduate of Los Alamos High School.

Seminar Objectives:

- Review the different subtypes of breast cancer.
- Explain the trends in breast cancer therapies and the different types of available therapies.
- Learn about therapies that recently entered the clinic or are in late-phase clinical trials
- Present new basic and translation research findings of novel therapies that eradicate breast cancers by targeting unique characteristics of the tumor.

Pre-registration required by October 8th for dinner!

Nurses and Allied Professionals will be awarded 1.5 CE contact hours

Los Alamos Medical Center is a provider approved by the California Board of Registered Nursing
